Business card ... reimagined

ABOUT US:

Welcome to **ZeeCard**, a digital card company dedicated to providing modern and innovative solutions to individuals and businesses world-wide. We strive to transform the way people exchange information, build relationships, and promote themselves in the digital age.

Our company was founded on the belief that traditional paper business cards are outdated and inefficient. We recognized that people needed a more practical and environmentally friendly way to share their contact information and professional profiles. Thus, we set out to create a digital platform that would offer users the ability to design and share custom digital cards in a matter of seconds.

At **ZeeCard**, we are committed to providing our customers with an easy-to-use platform that allows them to create stunning digital cards with just a few clicks. Our platform offers a wide range of design templates, colors, fonts, and customization options to suit any individual's or business's needs. Whether you're an entrepreneur, a freelancer, or working for a corporation, our digital cards will help you stand out and leave a lasting impression on potential clients or partners.

We pride ourselves on our exceptional customer service and support. Our team is always ready to assist you with any questions or concerns you may have. We understand that every

customer is unique, and we take the time to listen to their specific needs and provide personalized solutions that meet their goals.

At **ZeeCard**, we are passionate about innovation, creativity, and sustainability. We believe that our digital cards are not only convenient but also eco-friendly, reducing the waste generated by traditional paper cards. By choosing our platform, you are not only promoting yourself or your business but also contributing to a cleaner and greener planet.

Thank you for choosing **ZeeCard** as your digital card partner. We are excited to help you connect and grow in the digital age.

ZEE CARD

A Smarter Way Of Communicating

Our products enables you to share your information in an easy and practical way.

Just by touching by a smart phone, the information is transmitted using "NFC" technology., I.e., "Near Field Communication" embedded in our Products.

Convenience:

Digital business cards are much easier to manage and share compared to traditional paper business cards.

Just scan & save the data - It takes two clicks!

NFC enabled! Just tap on the mobile device & save the data!!
With Zee Card, your business takes place in no time. Helps you to transfer your business details in seconds without any hassle.

You can easily update your contact information and share it with others via email, social media, or messaging apps.

Professionalism:

Zee Card can be designed with a professional look and feel, showcasing your brand and making a lasting impression on potential clients and business partners.

Zee Card is the best solutions for the accuracy of the data.

Save Money:

One time purchase

No reprinting involved

Update the changes for free

Easy to Update:

All the changes in the contact details or any other information, shall be updated easily.

Changes get reflected with no time

Analytics:

With Zee Card, you can track who has viewed your card and when.

This allows you to follow up with potential clients more effectively and measure the success of your networking efforts

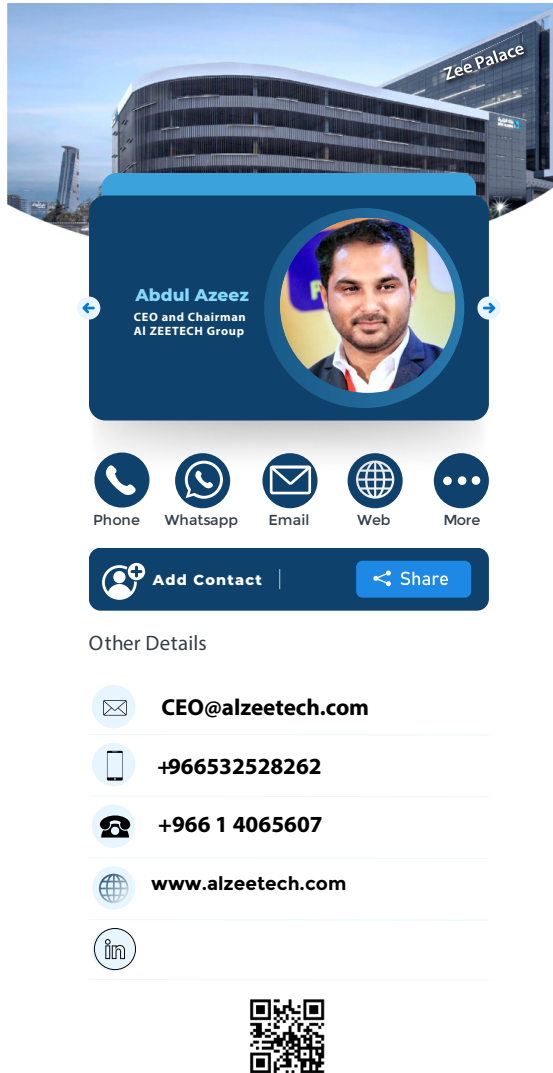

Environment friendly:

In today's world, sustainability is becoming increasingly important.

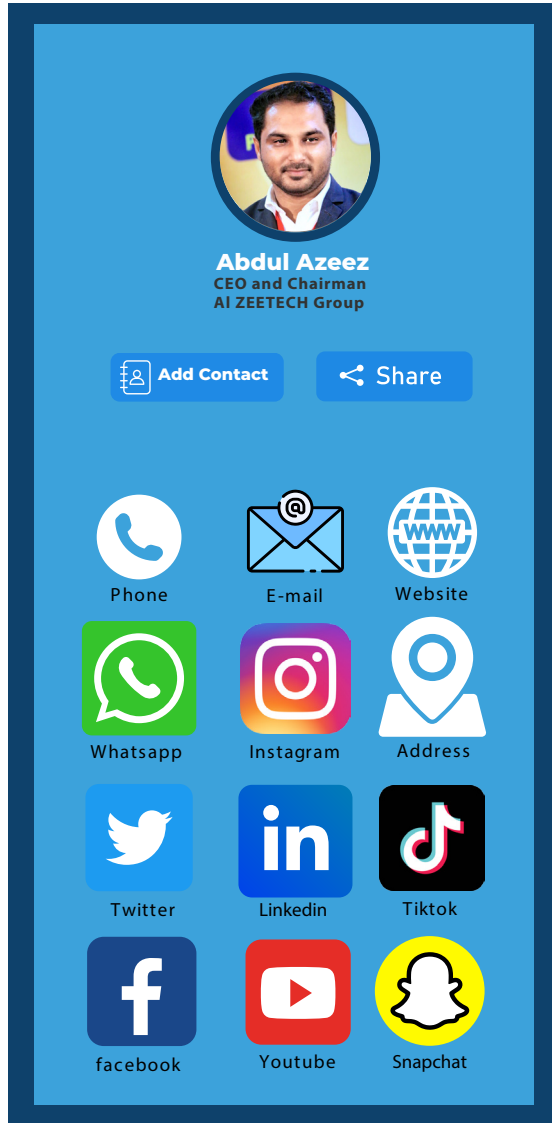

By using a Zee Card instead of a paper one, you are contributing to a greener planet by reducing paper waste.

No paper, no trees cut! SAVE TREE... SAVE NATURE
